

ANNUAL INDEX

VOLUME 44 NUMBERS 1-12

JOURNAL OF THE AMERICAN
DENTAL ASSISTANTS ASSOCIATION,

-A-

ACUPUNCTURE

- Acupuncture: an explanation (abstract) May 35
- Looney, Gerald L. July 20
- Acupuncture analgesia Weiss, Stanley L. July 20

AMERICAN DENTAL ASSISTANTS ASSOCIATION

- Annual Audit May 43
- Annual Session
 - 51st Annual Session tentative schedule of events July 45
 - Chicago Chicago! August 28
 - Official Program September 25
 - Official call to the 51st Annual Session August 31
- Candidates
 - for office September 41
 - for trustees September 42
- Central Office
 - Corresponding with central office April 48
 - Joanne Hauserman CDA new education director April 33
- Certification
 - ADAA continuing education courses May 45 November 38
 - Guidelines for continuing education August 32
 - Rules and regulations for certification November 43
- Certifying Board
 - Wanted by the Certifying Board May 6
- Committees
 - Budget & Finance September 44
 - 1976 proposed budget September 45
 - Bylaws February 44 April 46
 - Proposed bylaw amendments August 40
 - Clinics & Exhibits March 50
 - JAS Relief June 41
 - JAS Scholarship June 41 November 42
 - Legislation September 40 October 31
 - Nominating April 46
 - Student Involvement June 41
- Component & Constituents
 - New ADAA component and constituent societies February 43
 - Michigan educators sponsor student conference May 39
 - NCDAA House votes to hire legislative rep June 35
 - Washington DAA sponsors legislation July 41
- Executive Director
 - CDA begins duties as ADAA executive director January 26
 - A look at priorities March 42
- Membership
 - Campaign June 6, July 46, August 6
 - Membership status September 57
 - Honor roll August 7, September 55, October 40
 - Membership department October 41
 - Membership workshop October 41
- President
 - ADAA's new president January 30
 - President's inaugural address January 31
 - ADAA president names committee to study salaries March 37
 - From your president April 36

- President's report September 50
- State Presidents
 - Adams, Barbara VA 74/75 April 49

 - Cain, Jean KY 75/76 June 47
 - Curry, June ID 74/75 February 42
 - Dawley, Pauline MA 74/75 May 50
 - Dea, Sally SD 75/76 July 6
 - Douglas, Mary Ann MS 74/75 May 50
 - Gallo, Constance CT 75/75 July 6
 - Hallberg, Joyce NE 75/76 September 56
 - Hand, Myrl AZ 75/76 June 47
 - Healy, Carol OH 74/75 February 41
 - Hendrix, Stephanie GA 74/75 April 49
 - Hernandez, Rosalee FL 75/76 October 44
 - Jenks, Kathryn MI 74/75 April 49
 - Nanos, Nancy IL 75/76 October 44
 - Nixon, Mack MD 74/75 February 41
 - Nicholson, Jessietta WV 75/76 October 44
 - O'Bar, Frances OK 75/76 July 6
 - Price, Mary Etta AR 75/76 June 47
 - Rose, Ruth TX 75/76 July 6
 - Schuppel, Carol MN 75/76 October 44
 - Talbert, Barbara NC 75/76 August 27
 - Thayer, Roselan FL 74/75 February 41
 - Turnbaugh, Lee Ann MO 74/75 May 50
 - Weis, Connie IA 75/76 August 27
- Survey
 - Salary survey results July 29
- AMERICAN DENTAL ASSOCIATION
 - ADA adopts policy on EDDA utilization and education January 26
 - New Boy Scout merit badge in dentistry March 38
 - A look at the new ADA Commission on Accreditation of Dental and Dental Auxiliary Educational Programs April 27
 - ADA refutes British toothbrushing report April 32
 - Entries sought for preventive dentistry award April 33
 - ADA backs bill for more health education in schools June 44
 - ADA opposes federal malpractice plans July 41
 - Commission approves ADAA resolution August 36
 - Dental Health Council makes recommendations August 36
 - Dental fees to be researched October 9
 - ADA Preventive Dentistry Award winners named November 10
 - CDCP approves new uniform claim form July 42
- AMERICAN FUND FOR DENTAL HEALTH
 - AFDH announces grants March 38
 - Dentist contributes \$100,000 to AFDH May 39
 - AFDH develops auxiliary equivalency exams June 35
- AMERICAN DENTAL HYGIENISTS ASSOCIATION
 - ADHA to publish new journal for educators November 10
- ANATOMY
 - The neuroanatomy of maxillofacial pain (abstract) Gregg, John M. June 33
 - The skin of our teeth (abstract) Redman, Robert S. September 49
- ANESTHESIA
 - Acupuncture: an explanation (abstract) May 35
 - Looney, Gerald L. July 20
 - Acupuncture analgesia Weiss, Stanley L. July 20
 - Applying topical anesthetic DiAngelis, Anthony J. and Simon, William J. August 22
 - Intravenous amnesia (abstract) Shane, Sylvan J., Carrel, Robert, and Vandenberge, John March 35
 - Medicated, air Vanderweele, Alan J., and

Simon, William J.	November 18
New electrode monitors blood during surgery	January 27
Use of hypnosis in a patient with hemophilia (abstract) Dubin, Louis L., and Shapiro, Sandor S.	May 36

APPOINTMENTS

Kellogg Foundation names Barker to staff	October 9
--	-----------

—B—

BACTERIA

Oral ecology Heartsill, Jenny Nell	May 16
Pulp and periapical tissue responses to bacteria (abstract) Karzen, Barry H., Krakow, Alvin Arlen, and Green, Daniel B.	June 33

BEHAVIOR

An outline for achieving cooperative behavior from the child patient Taylor, David	January 10
Group task functions Harvey, Judith S.	April 25
Guidelines for achieving cooperative behavior from the child patient Whitmire, Marilyn	January 11
Imitation in the treatment of dental phobia (abstract) White, William C., Akers, John; Green, Joseph; and Yates, Davis	March 35
Maternal anxiety and child's dental behavior (abstract) Wright, Gerald Z., Alpern, Gerald D., and Leake, James L.	January 25
Patient anxieties Hill, Kathryn	January 14
Psychological preparation for a root canal procedure Terrell, Donna	March 33
The human touch in the dental office Palmer, Carole A.	March 28
Toward more effective communication Soule, Douglas J. and Kuh, George D.	March 31

BOOK REVIEWS

A prelude to physiology Robinson, James R.	October 42
Biochemistry—A case-oriented approach Montgomery, R., Dryer, R.L., Conway, T.W., and Spector, A.A.	June 12
Community colleges and primary health care; Study of allied health education (SAHE) report Hawthorne, Mary E., and Perry, J. Warren	May 42
Dental materials; properties and manipulation Craig, Robert G.; O'Brien, William J.; and Powers, John M.	June 12
Learning for tomorrow: the role of the future in education Toffler, Alvin	May 42
Pathogenic microbiology Burnett, George W., and Schuster, George S.	October 42
Psychodietetics—food as the key to emotional health Cheraskin, E.; Ringsdorf, Jr.; W.M. and Stein, Arline Brecher	October 42
Radiology for dental auxiliaries Fromer, Herbert H.	May 42
The fluoride question—panacea or poison? Gotzsche, Anne-Lise	October 42

—C—

CARIES

Caries in prehistoric and medieval populations (abstract) Lunt, D.A.	May 36
Minnesota starts decay research program	October 9
Researcher develops "safer sugar" for teeth	July 41
Sugar association mulls plaque research	May 37
Sugar "crises" may cut children's cavities	February 35

CHAIRSIDE DENTAL ASSISTING

Application of pit and fissure sealant—the role of the dental assistant Dietz, Ellen Roberta	November 1x
Applying topical anesthetic DiAngelis,	

Anthony and Simon William J.	August 22
Crown and bridge abutment preparation Pyke, Dale S. and Simon, William J.	October 26
Instrument transfer Cranford, Charles O. and Simon, William J.	July 25
Medicated air VanderWeele, Alan J. and Simon, William J.	November 18
Principles of crown and bridge Smith, Ray V. and Simon, William J.	September 18
Rubber dam technique for children Farrington, Frank H.; Millenbine, Lynn G. and Bridges, Joyce N.	July 16
The DA's role during examination of the oral cavity Robinson, Hamilton B.G. and Simon, William J.	May 24

CHALK TALK

Do you believe the "good teacher" myth? Ehrlich, Ann	November 27
Establishing mutual goals Ehrlich, Ann	October 36
Jello vs instant pudding Ehrlich, Ann	September 48
Jigsaw-puzzle learning Ehrlich, Ann	June 40
Simulated learning in pedodontics Ehrlich, Ann	July 43
What is meaningful learning? Ehrlich, Ann	May 32
Values clarification in education Ehrlich, Ann	August 34

COMMUNICATING

Communication in the clinical setting (abstract) Ley, P.	May 35
--	--------

COMPUTERS

Computers may soon check out groceries	May 37
--	--------

CONSUMER CONCERN

Cites need for peer review systems	September 60
Consumer concerns and dental care Angevine, Erma	September 15

—D—

DENTAL ASSISTANT

ACORDE materials now in classroom use	June 36
Division of Dentistry holds workshop on auxiliaries	September 8
Opportunities beyond four-handed dentistry Gilman, C.W.	August 10
Symposium on dental health education	September 8
Teamwork in dentistry (abstract) Schon, Frita	July 53
International Plans progressing for international DA seminar	March 37

DENTAL ASSISTANTS IN THE NEWS

Georgia annual session stresses teamwork	January 29
Hanover DAS honors Helen Yingling	January 29
Northern Virginia Community College graduates 26 DAs	January 29

DENTAL DEMAND

Rapid growth of dental patient load foreseen	May 48
--	--------

DENTAL DRILLS

Orthodontic word puzzle	January 32
Word finds	February 32
General dentistry	March 34
Periodontal word puzzle	May 34

DENTAL FEES

Dental fees rise less than other health costs	August 36
Dental fees to be researched	October 9

DIAGNOSIS

Guidelines for hypertension screening in dental office (abstract) Abbey, Louis M. and Hargrave, Barbara	February 33
The hypertensive patient in dental	

practice Simpson, Theodore H.	February 16
DIET AND NUTRITION	
A national nutrition policy? (abstract)	
Holden, Constance	March 36
Child nutrition programs (abstract)	April 31
Nutrition and well-being (abstract)	
Shaw, James H.	November 26
Researcher develops "safer sugar"	
for teeth	July 41
Sugar association mulls plaque research	May 37
Too much protein? (abstract)	June 34
DISEASES	
Carcinoma of the lip (abstract) Colquitt, Wayne N.	June 34
Clinical features of oral cancer (abstract) Spouge, J.D.	January 25
Grants given for cancer screenings	February 36
Hepatitis B transmission (abstract)	
Levin, Michael L., Maddrey, Willis C., Wands, Jack R., and Mendeloff, Albert I.	February 34
Immunity levels for childhood diseases	
alarming	March 37
Low blood sugar newest fad illness	March 38
Oral cancer Custard, Frances	August 19
Papillomas (abstract) Greer, Robert O. and Goldman, Henry M.	September 49
Periodontal disease focal infection and systemic health Suskin, Leon	May 28
Psoriasis involving the oral cavity (abstract)	
Salmon, Thomas N.; Robertson, G.R.; Jr., Tracy, Norman H.; Jr., and Hiatt, W.R.	September 49
The diabetic patient (abstract) Strauss, Sorrell I.	March 36
DRUGS	
Aspirin-induced oral bleeding (abstract)	
Lemkin, Stephen R., Billesdon, John E., Davee, Jeffrey, S.; Leake, Donald L. and Kattlove, Herman E.	February 34
Aspirin substitute more effective than narcotic	November 10
Crushed aspirin tablets (abstract) Blake, Martin I.	July 40
Dental treatment of narcotic addicts (abstract)	
Ayer, William A.; and Cutright, Duane E.	February 45
Dispensing drugs in a dental office, Johnson, Wallace W. and Simon, William J.	April 16
New law permits standard caps for drugs	June 37
Use of Valium and Librium curbed	May 37
-E-	
EDITORIALS	
A depressing situation	July 15
A new venture in partnership	March 19
Au revoir	January 9
Biting power	September 11
Collective bargaining	November 13
Education month	April 12
Is anyone out there	August 9
Let's tap the reserve	June 14
Moving in the right direction	October 11
Risky business	May 15
She Was a Sweetheart	December 11
Stepping into big shoes	February 15
Up the auxiliary Teuscher, George W.	April 13
Why belong? Horn, Juanita	June 14
EDUCATION	
A look at the new ADA Commission on Accreditation of Dental and Dental Auxiliary Educational Programs	April 27
ACORDE materials now in classroom use	June 36

Continuing education programs available to dental auxiliaries	January 42, March 47
	May 44, July 50, September 52, November 32
COCOD study completed; task analyses available	April 32
Dental assisting programs accredited for 1975 by the ADA council on Dental Education	April 37
Division of Dentistry holds workshop on auxiliaries	September 8
Education opens new worlds Bruno, Mary Ann and Spencer, Pauline	April 14
Guidelines for continuing education	August 32
New procedures for continuing education programs	July 14
Symposium on dental health education	September 8
Teacher preparation program at SUNY	May 39
EMPLOYMENT, DENTAL ASSISTANT	
Job satisfaction Dietz, Ellen R.	April 22
ENDODONTICS	
Maxillary first molar mesiobuccal roots (abstract) Vertucci, Frank J.	March 36
Psychological preparation for a root canal procedure Terrell, Donna	March 33
Treatment of nonvital deciduous molars (abstract) Miller, Lawrence B.	November 26
Two root canals in mandibular incisors (abstract) Benjamin, Kenneth A. and Dawson, John	August 35
EXODONTIA	
Localized alveolar osteitis (abstract)	
Coletti, George	October 34
Plastics in operative dentistry	
Tagliarino, Vincent A. and Simon, William J.	December 14
The dental assistant's role in exodontia	
McLeron, James H. and Simon, William J.	February 18
-F-	
FLUORIDATION	
Allegations on fluoridation refuted	October 7
Los Angeles to vote on fluoridation	May 37
Los Angeles voters veto fluoridation	August 36
FEDERATION DENTAIRE INTERNATIONALE	
World dental congress to meet in Chicago	June 35
-G-	
GENETICS	
Ask support for genetic screening	September 8
Common genetic defects of the mouth Sanger, Roger G.	June 20
Guidelines issued for DNA research	October 9
GERIATRICS	
Geriatric dentistry (abstract) Silberman, Harry A.	October 34
-H-	
HEALTH	
Consumer concerns and dental care	
Angevine, Erma	September 15
Crushed aspirin tablets (abstract) Blake, Martin I.	July 40
Drinking water may be hazardous to health	February 35
Hazards of pill and IUD reported	June 36
Hazards seen in overuse of vitamin D	May 39
Hepatitis and asbestos hazards discussed	May 49
Public smoking banned in New York	May 38
Senate approves medical device regulations	July 42
The future in health—something old, something new Greene, John C.	February 26
HISTORY OF DENTISTRY	

Modern dentistry—not so modern Mahone Josephine	October 24
---	------------

HYPERTENSION

Guidelines for hypertension screening in the dental office (abstract) Abbey, Louis M. and Hargrave, Barbara	February 34
May is National High Blood Pressure Month	May 37
The hypertensive patient in dental practice Simpson, Theodore H.	February 16

—I—

INJURIES

Abrasion caused by the three methods of toothbrushing (abstract) Padbury, Allen D. and Ash, Major M.	April 31
Bite marks on battered children (abstract) Furness, John	November 26
Fractures of the mandible in children (abstract) Kernahan, D.A. and Pejo, S.P.	June 33
Repair of a fractured central incisor crown (abstract) Winkels, Carl J.	October 34
Trauma and pulp death in incisors (abstract) Rock, W.P.; Gordon, P.H.; Friend, L.A. and Grundy, M.C.	February 33

—L—

LAWS AND LEGISLATION

ADA backs bill for more health education in schools	June 44
ADA opposes federal malpractice plans	July 41
ADAA views given to senate subcommittee	August 37
Arizona's confrontation Koerner, Ralph L.	October 13
California's five-category approach Duffy, Hon. Gordon	October 16
Enabling legislation in Texas Kemp, William J.	October 22
Greater Medicare coverage proposed	July 42
Informed consent (abstract)	July 40
Kentucky's open dental practice act Hopkins, Hon. Larry J.	October 19
Legislative initiatives	October 31
Legislating auxiliary utilization	October 13
Merge legislative efforts in KY	October 9
New bill to regulate snack sales in schools	June 37
New law permits standard caps for drugs	June 37
Senate acts to restrict school snack food sale	September 60
Senate approves medical device regulations	July 42
Washington DAA sponsors legislation	July 41

—M—

MALPRACTICE

ADA opposes federal malpractice plans	July 41
Informed consent (abstract)	July 40

MEDICAL EMERGENCIES

The patient who wears a cardiac pacemaker (abstract) Ore, Donald E. and Shriner, Walter A.	August 35
---	-----------

MOTIVATION

An outline for achieving cooperative behavior from the child patient Taylor, David	January 10
Group task functions Harvey, Judith	April 25
Guidelines for achieving cooperative behavior from the child patient Whitmire, Marilyn	January 11
Motivating the patient to practice prevention (abstract) Thornburg, Ellen and Thornburg, Hershel D.	August 45
The human touch in the dental office Palmer, Carole D.	March 28
Transactional Analysis Allen, Madelyn Burley	May 18

—N—

NATIONAL CHILDREN'S DENTAL HEALTH WEEK

Material for 1976 NCDHW available	October 7
---	-----------

—O—

OBITUARIES

Bowen, Gael	January 21
Fountain, Pat	October 35
Hauser, Bertha	February 25
Howard, Hazel	January 21
Jackson, Annie Sue	February 25
Kraft, Mildred	January 21
Martin, Mary	October 35
Startup, Mary	November 10

OCCCLUSION

The occluding system of the teeth Bishoff, Richard J. and Simon, William J.	January 17
--	------------

OFFICE DESIGN

Designing the dental suite for a team Tagliarino, Vincent A. and Simon, William J.	March 20
---	----------

ORAL SURGERY

See EXODONTIA

ORTHODONTICS

Decalcification under orthodontic bands (abstract) Hirschfield, Robert E. and Johnston, Lysle E.	August 35
---	-----------

—P—

PATHOLOGY

Common genetic defects of the mouth Sanger, Roger G.	June 20
Oral ecology Heartsill, Jenny Nell	May 16

PEODONTICS

An outline for achieving cooperative behavior from the child patient Taylor, David	January 10
Caution: Human enclosed Raymon, Martin	September 12
Guidelines for achieving cooperative behavior from the child patient Whitmire, Marilyn	January 11
Maternal anxiety and child's dental behavior (abstract) Wright, Gerald Z.; Alpern, Gerald D. and Leake, James L.	January 25
Rubber dam technique for children Farrington, Frank H. Millenbine, Lynne G. and Bridges, Joyce N.	July 16

PEOPLE

Cavanaugh, Jo	March 40
Cheraskin, Emanuel	March 43
Dummett, Clifton	January 49
Ehrlich, Ann	May 40
Hauserman, Joanne	April 33
Jenks, Kathryn	October 38
Joan Keisel named editor of ASPD Journal	March 38
Keisel, Joan	February 38
Klaus, Vivian	November 24
Kryger, Lois	January 28
Nixon, Mack	August 38
Sigmon, Joyce	April 34
Triphahn, Gladys	September 46
Tuchner, Helen	July 48
Zendner, Betty	June 38

PERIODONTICS

Periodontal disease, focal infection and systemic health Sukin, Leon	May 28
Today's approach to periodontal treatment (abstract) Baumhammers, A. and Sumney, David L.	October 35

PERSONAL RELATIONSHIPS

Giving—the real Joy of living Morabito, Peter	December 12
The "girl" syndrome in dentistry Helfman, Harriet	November 22
The human touch in the dental office Palmer, Carole A.	March 28
Toward more effective communication Soule, Douglas J. and Kuh, George D.	March 31

PHOTOCOPYING

Photocopying (abstract) Walsh, John February 44
PRACTICE MANAGEMENT

Credit cards-confusion or control? Meyers,
 John G. November 14
 Stretching office expense dollars
 Johnson, Joan February 30
 The preparation of consultation requests Gibiliso,
 Joseph A. and Simon, William J. June 27

PREVENTION

Frequency of plaque removal (abstract) Kelner,
 Richard J.; Wohl, Barry R.; Deasy, Michael J.
 and Formicola, Allan J. March 36
 Motivating the patient to practice prevention
 (abstract) Thornburg, Ellen and Thornburg,
 Hershel D. August 45
 Plaque control programs (abstract) Hilderbrand,
 Roberta M. July 40
 Prevention or delay? (abstract) Jackson, D. November 26
 Teaching dental disease prevention
 Emery, Clare A. June 16
 Texans given the brush-in at Houston March 39

PROSTHETICS

Crown and bridge abutment preparation
 Pyke, Dale S. and Simon, William J. October 26
 Principles of crown and bridge Smith,
 Ray V. and Simon, William J. September 18

PSYCHOLOGY

Motivating the patient to practice prevention
 (abstract) Thornburg, Ellen and Thornburg,
 Hershel D. August 45
 Patient anxieties Hill, Katheryn January 14
 Suicide! Westercamp, Twilla M. August 14

PUBLIC HEALTH

Director appointed for Division of Dentistry August 36
 Greater Medicare coverage proposed July 42

—R—

RADIOGRAPHY

Intraoral radiography to be studied January 27

RESEARCH

Abrasion caused by three methods of toothbrushing
 (abstract) Padbury, Allen D. and Ash, Major M. April 31
 Child abuse studied by BHRD May 37
 Guidelines issued for DNA research October 9
 Minnesota starts decay research program October 9
 Pulp and periapical tissue responses to bacteria
 (abstract) Karzen, Barry H.; Krakow, Alvin Arlen
 and Green, Daniel B. June 33
 Researcher develops "safer sugar" for teeth July 41
 Report examines population and food November 10
 Safety of sweetener to be probed January 27
 Studies planned on biomedical personnel July 41
 Sugar association mulls plaque research May 37

RUBBER DAM

Rubber dam technique for children Farrington,
 Frank H.; Millenbine, Lynne G. and Bridges,
 Joyce N. July 16

—S—

SPECIAL PATIENTS

Dentistry and the mentally ill Markette, Ronald L.;
 Dicks, Joseph L. and Watson, Robert C. September 22
